# BETHUNE ROUND TABLE 2022

## DECOLONIZING GLOBAL SURGERY

The Bethune Round Table (BRT) is an annual interdisciplinary meeting aimed at addressing the challenges of providing accessible, high-quality surgical care to marginalized patients in low-resource settings. By bringing health professionals across a variety of disciplines together, we are able to share strategies and create solutions for improving surgical care to these under-served regions.

2022**

This event is an Accredited Group Learning Activity (Section 1) as defined by the Maintenance of Certification Program of the Royal College of Physicians and Surgeons of Canada and approved by Canadian Association of General Surgeons. You may claim a maximum of 12 hours.
